

The Construction Industry Council (CIC) was formed on 1 February 2007 under the Construction Industry Council Ordinance (Cap. 587). Our Mission is to strengthen the sustainability of the construction industry in Hong Kong by providing a communication platform, striving for continuous improvement, increasing awareness of health and safety, as well as improving skills development.

The CIC is looking for a highly talented individual to fill the position of:

Lecturer (Building Construction / Civil Engineering)

The applicant must possess

- (1) a recognised degree in construction related fields or corporate membership of an appropriate professional institution;
- (2) a minimum of 7 years post-qualification work experience, preferably with experience in teaching; and
- (3) good presentation and communication skills.

(Applicants who do not possess the required qualifications and / or experience may be considered for other positions within the organisation.)

Duties include

- (1) to conduct training courses on Building Construction and / or Civil Engineering and organise site visits;
- (2) to devise and implement new training courses and prepare training materials to meet the development of the industry;
- (3) to update course contents;
- (4) to liaise with the industry on the provision of tailor-made training courses; and
- (5) to carry out any other duties as assigned from time to time by the CIC.

Applications

The position is on a time-limited fixed-term contract subject to operational needs.

Please send an updated curriculum vitae, the results of English and Chinese Language obtained in public examinations, current and expected salary together with a covering letter stating one's suitability for the job and quoting the job reference number **(17 / L(BC/CE) – 004M)** to hrci@cic.hk or by mail to the address below on or before **23 January 2017**. For further details on CIC please refer to website: <http://www.cic.hk>.
