Raise of Construction Levy Threshold

The Construction Industry Council (CIC) is pleased to announce that the levy thresholds under the Construction Industry Council Ordinance (Cap. 587) (CICO) and the Construction Workers Registration Ordinance (Cap. 583) (CWRO) (i.e. the Construction Levy Threshold) will be raised from HK\$1 million to HK\$3 million with effect from **30 July 2018**.

The CIC has put forward the quest by industry stakeholders to review the Construction Levy Threshold. Taking into account the CIC's recommendation, the Government has introduced subsidiary legislation under CICO and CWRO respectively to raise the Construction Levy Threshold from HK\$1 million to HK\$3 million. The revised Construction Levy Threshold will not be applied retrospectively to any construction operations which have commenced or been tendered before the effective date of the amendments.
