^{^ &}quot;Qualified employees (March 2020)" refers to the casual employees employed by an employer for whom it has made employer's contributions under the MPF Industry Scheme(s) for construction industry for at least 15 days in the calendar month of March 2020, based on the position of the employer's MPF contributions as at 7 May 2020 as shown in the records issued by the MPF Trustee(s). The employers concerned have undertaken not to implement redundancy during the subsidy period (the period of six calendar months from 1 August 2020 to 31 January 2021 (both days inclusive)), and shall spend the full amount of the received subsidy on wages of "qualified employees" during the subsidy period. For each calendar month in the six-month subsidy period, the Government will monitor the MPF contribution records as provided by the MPF trustee(s) in order to verify whether the employers concerned have fulfilled the relevant requirements in each calendar month.

^{^「}合資格僱員(2020年3月)」一詞指受聘於僱主的臨時僱員,而根據強積金受託人所發出有關申請者截至2020年5月7日強積金供款狀況的紀錄顯示,僱主在2020年3月的曆月內,曾在強積金建造業行業計劃下為該名僱員作出最少15天僱主供款。相關的僱主承諾於補助期內(即2020年8月1日至2021年1月31日期間的6個曆月(首尾兩天包括在內))不會裁員,及將獲發的補助金全數用於支付補助期內「合資格僱員」的工資。就上述6個月補助期內的每個曆月,政府會審核由強積金受託人所提供的強積金供款紀錄,以確定相關僱主於補助期內每個曆月均符合有關要求。
