Remarks:

RSW=Registered Skilled Workers

RSS=Registered Semi-skilled Workers

RGW=Registered General Workers

\* Small sample size in RSW/RSS. Results shall be interpreted with caution.

^ Most respondents did not mention clearly if they work as bricklayers or plasterers (most of them only mentioned they work as cement sand mortar workers) so the numbers cover both trades.

@ No successful case for RSW and/or RSS

# The survey data and registration figures do not include those registered as Cement Sand Mortar Worker (Master)
