

## **Design and Build of ZCB Eco Home 2014 – Sponsorship Agreement Signing Ceremony**

Integrating green technologies with a healthy lifestyle into modern chic interior design will be fully demonstrated in the new Eco-Home of ZCB thanks to the sponsorship from New World Group Charity Foundation for the “Design and Build of ZCB Eco-Home 2014” project. The new Eco-Home will also feature various interactive exhibits to illustrate to visitors how to reduce carbon footprints by changing simple daily household habits. Development of the Eco-Home 2014 is part of the evolving process of ZCB in responding to the latest technologies, with a view to further promoting the low carbon lifestyle to the visitors.

A signing ceremony for the sponsorship agreement was held at ZCB in early March 2014. We thank New World Group Charity Foundation for its generous sponsorship.
