FOR IMMEDIATE RELEASE

Construction Industry Basketball League 2023 **Finals and Prize Presentation Ceremony** **Concludes with Great Success**

Hong Kong • 28 May 2023 – The Construction Industry Council (CIC) today held the "Construction Industry Basketball League 2023" Finals (Competition) at HKIC – Sheung Shui Campus. Mr. Edward TSE, Director of Architectural Services, was invited as the Guest of Honour for the Award Presentation Ceremony. This year, the number of participating basketball teams from the construction industry has increased from 20 to 24 and all the teams demonstrated outstanding performance at this annual competition.

The "Construction Industry Basketball League" was launched by the Construction Industry Sports and Volunteering Programme (CISVP) under the CIC in 2017 to promote a healthy lifestyle and athletic sense among the industry practitioners. The competition has been receiving positive response with active participation from the industry. This year, 60 exciting matches were played in total and four winning teams advanced to the final game. They were here today to compete for the championships. In the Gold Cup, H.K. & Kowloon Electrical Engineering & Appliances Trade Workers Union won the champion with a 63 : 54 victory over Registered Specialist Trade Contractors Federation. While in the Construction Industry Council Cup, Sanfield (Management) Limited seized the championship with 50 : 31 after a tense game against Hong Kong Decoration Trade & Building Maintenance Employees Association.

Construction Industry Sports and Volunteering Programme (CISVP) strives to encourage a healthy lifestyle and instill a caring culture amongst industry practitioners. For details of CISVP's upcoming sports and volunteering events, please visit www.cisvp.hk.

About the Construction Industry Council

The Construction Industry Council (CIC) was formed in 2007 under the Construction Industry Council Ordinance (Cap. 587). The CIC consists of a chairman and 24 members representing various sectors of the industry including employers, professionals, academics, contractors, workers, independent persons and Government officials.

The main functions of the CIC are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to the Government, provide professional training and registration services, and serve as a communication channel between the Government and the construction industry.
