

iHub 建造業展覽中心

Stepping into the Future of Construction
建築無限 邁向未來

The “iHub” guided tours connect 4 exhibition centres of Construction Industry Council (CIC), including Construction Innovation and Technology Application Centre (CITAC), CIC-Zero Carbon Park, MiC Resources Centre and CIC Digital Twin Hub. The iHub aims to promote the application of construction innovation, sustainability and digitalisation. Construction professionals, industry stakeholders, students and the public are welcome to explore the latest technology and industry development through our guided tours.

「建造業展覽中心」導賞團串連建造業議會的4個展覽中心，包括建造業創新及科技應用中心、建造業零碳天地、「組裝合成」建築法資源中心及建造業議會數碼分身中心。建造業展覽中心旨在促進建造業創新、可持續發展和數碼化的應用。歡迎業界人士及持份者、學生和公眾人士透過我們的導賞團，了解更多建造業的最新技術和發展。
