

FOR IMMEDIATE RELEASE

Construction Industry Table Tennis Competition and Carnival 2018

Hong Kong • 6 May 2018 – The Construction Industry Council (CIC) today held the "Construction Industry Table Tennis Competition and Carnival 2018" (Event) at Pui Ching Primary School. Nearly 300 players from 40 organisations and their families and friends enjoyed a happy Sunday.

Guests of Honour for the Award Presentation Ceremony included **Mr. SIT Wing-hang, Alfred**, Director of Electrical and Mechanical Services, HKSAR; **Mr. CHOW Luen-kiu**, Chairman of the Hong Kong Construction Industry Employees General Union; **Mr. CHAN Ka-kui**, Chairman of the Construction Industry Council; **Ir Albert CHENG**, Executive Director of the Construction Industry Council; **Mr. TSANG Ting-fat**, Member of the Construction Industry Sports and Volunteering Programme (CISVP) Committee and **Ir Wyllie FUNG**, Assistant Director of Hong Kong Institute of Construction (Professional Development & Administration).

The "Construction Industry Table Tennis Competition and Carnival" was launched in 2017 and received overwhelming response from the industry. This year, the enrollment reflected great enthusiasm and attracted about 300 participants, more than double the number of last year. Participants competed in men's or women's singles or doubles, or the mixed and family categories. The newly introduced Hong Kong Institute of Construction (HKIC) Cup was open for students from HKIC and invited schools. Nearly 200 exciting matches were hosted. Besides, the CIC arranged a fun rhythmic gymnastics performance, which won big applauses from the spectators. The other event highlights included game booths, craft workshop and photo-taking attractions. All the fun activities and games were well-received by the participants.

"Construction Industry Table Tennis Competition and Carnival" was organised by the Construction Industry Sports and Volunteering Programme (CISVP) launched by the CIC in 2016. CISVP aims to encourage a healthy lifestyle and instill a caring culture amongst industry practitioners. The forthcoming key activities include the "Dragon Boat Race – CIC Lo Pan Cup 2018" and "Construction Industry Volunteer Award Presentation and Lo Pan Service Day". The game booths and photo attractions are very well-received by the participants

About the Construction Industry Council

The Construction Industry Council (CIC) was formed in 2007 under the Construction Industry Council Ordinance (Cap. 587). The CIC consists of a chairman and 24 members representing various sectors of the industry including employers, professionals, academics, contractors, workers, independent persons and Government officials.

The main functions of the CIC are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to the Government, provide professional training and registration services, and serve as a communication channel between the Government and the construction industry.
