Construction Industry Basketball League 2025 Concludes **With Women's Teams Shine on Stage for First Time**

Hong Kong • 22 June 2025 – The Construction Industry Council (CIC) today held the "Construction Industry Basketball League 2025" Finals at HKIC – Sheung Shui Campus. Mr. CHO Ping-ho, Assistant Director (Mechanical & Electrical) of Water Supplies, was invited as the Guest of Honour for the Award Presentation Ceremony. This year, in addition to the 24 men's teams, 2 women's teams from the construction industry took part in this annual competition for the first time.

The "Construction Industry Basketball League" was launched by the Construction Industry Sports & Volunteering Programme (CISVP) under the CIC in 2017 to promote exercise habits and athletic sense among industry practitioners, the competition has received positive response with active participation from the industry. This year, a women's league has been included for the first time.

Hong Kong Construction Industry Employees General Union claim the first-ever women's championship. For the men's division, the Hong Kong Decoration Trade & Building Maintenance Employees Association won the Gold Cup while the Sanfield (Management) Limited seised the championship in the Construction Industry Council Cup.

Construction Industry Sports & Volunteering Programme (CISVP) strives to encourage a healthy lifestyle and instill a caring culture amongst industry practitioners. For details of CISVP's upcoming sports and volunteering events, please visit www.cisvp.hk.

About the Construction Industry Council

The Construction Industry Council (CIC) was formed in 2007 under the Construction Industry Council Ordinance (Cap. 587). The CIC consists of a chairman and 24 members representing various sectors of the industry including employers, professionals, academics, contractors, workers, independent persons and Government officials.

The main functions of the CIC are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to the Government, provide professional training and registration services, and serve as a communication channel between the Government and the construction industry.
