

New Arrangement on Trade Test - Measures against COVID-19

Starting from **1 February 2023**, all candidates who attend the trade tests/courses of the Hong Kong Construction Industry Trade Testing Centre (“HKCITTC”) and visitors are reminded to wear mask at all times. In case wearing mask is not feasible, for example when having meal or shower or performing heavy manual work, candidates/visitors should keep proper social distance with others

Candidates should consult a doctor promptly if they have fever or develop symptoms of respiratory tract infection. With a valid medical certificate, the HKCITTC will reschedule the test/course. No charge incurred. For enquiry, please call 2100 9000 on/before the test/course commencement date.

The Construction Industry Council reserves the right to admit or deny any person from entering its premises in the interests of public health.
