FOR IMMEDIATE RELEASE

Construction Industry E-Sports Day 2021

Hong Kong • 19 December 2021 – The Construction Industry Council (CIC) today held the "Construction Industry E-Sports Day 2021" (Sports Day) at AME Stadium. Mr. PANG Yiu-hung, Director of Electrical & Mechanical Services, HKSAR Government, was invited as the Guest of Honour for the Award Presentation Ceremony. Nearly 1,000 players from more than 33 organisations had an exciting day at this competition.

The "Construction Industry Sports Day" was launched in 2017 and has been receiving overwhelming response from the industry. This year, the CIC has introduced a new element to the game – Motion eSports (integrated Sports & eSports). Competition items include: (i) Individual category - skiing, basketball skills, football skills and boxing; (ii) Group category – cycling, horse riding, running and kayaking. Apart from individual and group awards for all categories, the Team Spirit Award, and Perseverant Organisation Award and Professional Workers Cup were also presented today. The players had been competing ambitiously since the preliminary games. Binnies Hong Kong Limited got the highest number of awards which was 10 in total, whilst MTR Corporation Limited won 8 awards.

Besides, all sponsor income of the Sports Day will be used for promoting volunteer services in the construction industry organised by the Construction Industry Sports and Volunteering Programme (CISVP), bringing warmth and hope to the community. The CISVP strives to encourage a healthy lifestyle and instill a caring culture amongst industry practitioners. About the Construction Industry Council

The Construction Industry Council (CIC) was formed in 2007 under the Construction Industry Council Ordinance (Cap. 587). The CIC consists of a chairman and 24 members representing various sectors of the industry including employers, professionals, academics, contractors, workers, independent persons and Government officials.

The main functions of the CIC are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to the Government, provide professional training and registration services, and serve as a communication channel between the Government and the construction industry.
