Dear Friends of the Construction Industry,

**Development Bureau and Construction Industry Council (CIC)
Deliver Rapid Antigen Tests (“RAT”) Kits and Masks to Contractors**

With the support of the Development Bureau of the HKSAR Government (“Government”), the Construction Industry Council (“CIC”) and the construction industry completed the Construction Industry COVID-19 Testing Day and implemented Vaccine Pass Arrangement at Construction Sites in March 2022. We would like to thank you for your active participation to fight the virus together.

In order to continue to support the industry to fight against the epidemic, the CIC will distribute RAT kits and masks provided by the Development Bureau to contractors’ head offices. May contractors distribute the RAT kits and masks to their construction sites for use by the construction workers and site personnel (including project teams, site clerical staff, cleaners and security guards etc. of the contractors, consultants and project clients). Please also remind the site staff in-charge to keep proper stock of the RAT kits and masks which must not be resold or used for other purposes.

Any enquiries, please contact us on 5498 5946 or 2100 9000, or via WhatsApp on 5498 5946. Thank you again for your support.
