Construction Industry 5-a-side Football Competition 2022 Funds Raised for Construction Charity Fund Integrated Service Centre

Hong Kong • 18 December 2022 – The Construction Industry Council (CIC) today held the "Construction Industry 5-a-side Football Competition 2022" at Hong Kong Football Club. Mr. PANG Yiu Hung, Director of Electrical & Mechanical Services was invited as the Guest of Honour for the Award Presentation Ceremony. 47 football teams from the construction industry took part and demonstrated outstanding performance at this annual competition.

The "Construction Industry 5-a-side Football Competition" was launched by the Construction Industry Sports and Volunteering Programme (CISVP) under the CIC in 2019 to promote healthy lifestyle and athletic sense among the industry practitioners. The competition has been receiving overwhelming response from the industry. This year, around 100 exciting matches were played in total. In the Cup Final, Riship Construction Co., Ltd seized the championship with 2 : 0 after a tense game against Maguire Friends Club.

Construction Industry Caring Cup was also held in this year. Teams from Development Bureau played against Construction Charity Fund Integrated Service Centre football team. A total of HK\$200,000 of donations will be contributed to Construction Charity Fund Integrated Service Centre to provide support to the family members of workers affected by construction site accidents.

Construction Industry Sports and Volunteering Programme (CISVP) strives to encourage a healthy lifestyle and instill a caring culture amongst industry practitioners. For details of CISVP's upcoming sports and volunteering events, please visit www.cisvp.hk.

About the Construction Industry Council

The Construction Industry Council (CIC) was formed in 2007 under the Construction Industry Council Ordinance (Cap. 587). The CIC consists of a chairman and 24 members representing various sectors of the industry including employers, professionals, academics, contractors, workers, independent persons and Government officials.

The main functions of the CIC are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to the Government, provide professional training and registration services, and serve as a communication channel between the Government and the construction industry.
